Zanfha Initiative
C/O Mrs Rifat Saleem

Communication
for Life

Dear Rifat, Tanvir, Nadeem, Faizan, Anza, Asad and friends at Zanfha Initiative

When I first heard about the amazing challenge of raising £10,000 you set yourselves last year I was so happy that you not only were doing this for Seashell Trust, but that as members of the local community you were 100% committed to raising this money.

I am now absolutely delighted that you have achieved your target. You should all be very proud of this wonderful personal triumph, and my sincere thanks go to each of you for your dedication throughout 2010.

In my eyes, using this money to help fund a Sensory Room in Chadderton House for our students is a truly perfect use of funds. Sensory rooms have so much benefit to users, they stimulate learning in an ever-changing colourful, multi-sensory environment and they give our students a space to relax.

With various sensory rooms in the School and College already, I have seen first-hand the direct benefit these spaces can have. The funding you have provided to build a room in Chadderton will allow our residential students access outside of school hours, this really is a big step forward in the facilities we can provide at Seashell Trust.

Thank you once again for the time and dedication you have given to Seashell Trust, your fundraising efforts will benefit the children and young people in our care for many years to come.

With warmest regards

Mark Geraghty
Chief Executive and Principle
